

FOR FREEDOM'S SAKE

While in Los Angeles attending the Christian Nationalist Convention, this writer took occasion to attend several sessions of the Jewish-inspired attempt to revoke the license of Radio Station KMPC, Los Angeles. This station is one of three owned and operated by G. A. Richards whose objective has been to inform the American public *on all subjects* pertaining to Americanism. For reasons best known to the manipulators of the Federal Communications Commission this policy subjects Mr. Richards to outright persecution. It has been stated that this alleged persecution is an act of revenge against Mr. Richards for having put his radio station at the disposal of Father Coughlin some years ago.

If you would enjoy a travesty of a trial, a kangaroo court, where the proceedings are all slanted one way, I recommend that you attend the Federal Communications Commission hearings on this Radio Station KMPC, which go on daily at the Federal Building. If you are a genuine Christian American who believes in free speech, free press and free news-casting for ALL the people — not just the Militant Minorities — then you may have some trouble with your blood pressure shooting up — as mine did.

The so-called 'Examiner' at this farcical hearing on KMPC is a Mr. Jas. D. Cunningham, who, with a Cheshire cat smile and grinning grimace, always rules against the White Christians in this case, and FOR

the opposing Jews, who wish to deprive KMPC and all White Christians of their inalienable rights of free speech, free press, and free news-casting.

In this Jew-ruled "democracy," (the U.S.A.) only the JEW enjoys the benefits of the White Christian's divinely-inspired Constitution — while the White Christian is deprived of his OWN GOD-GIVEN RIGHTS, by means of the Jewish smear label "anti-semitism."

Just WHAT is this "anti-semitism" that everybody is so deathly afraid of the word? It actually doesn't mean a thing except legitimate criticism of the Jew and his shenanigans: what's wrong with that? HE criticizes everybody else, with the utmost freedom and venom, from our President on down, and including the Christian-American Leader, Gerald L. K. Smith, whom little Sammy Kach invariably refers to as a "spiritual polecat." Mr. Smith has the guts to give back to the Jew just about as good as he sends. WHY haven't we Christian Americans the SAME right of justifiable criticism as the Jew — under OUR Constitution, which was framed by White Christian Americans to PROTECT THOSE VERY RIGHTS WHICH THE JEW SEEKS TO DESTROY, IN AMERICA? WHY should WE cringe in fear and bow down to this Jew-created bogey-man of "anti-semitism?"

WHY do we freely spend our best blood and treasure to STOP COMMUNISM ABROAD: to preserve Freedom abroad: and then give ourselves over to SLAVERY here at home, under the Bernard Baruchs (and his regimentation plan), the Frankfurters, Lehmans, Morgenthau, the Harry Golds, the Klaus Fuchs, the sneering little Cottone (who represents the F.C.C. in persecuting Station

KMPC), and the LONG list of subversive Jews, whose treason has been, and is being daily uncovered? (The 'front man' for the F.C.C. is Frederick W. Ford.)

What's the matter with the sleepy, slothful White Christian American? WHY doesn't he rise up and REclaim his Country and HIS rights? The Anglo-Saxon Race is the only one that ever established government by law, freedom for all under Christian ethics (including these alien races and strangers in our midst). WHY do we permit this Militant Minority — the ALIEN JEW — to be the absolute arbiter of OUR destiny?

WHY all this fencing and fancy footwork in the conduct of the KMPC case — this reluctance to face the truth boldly and let the chips fall where they may? WHY all this backing away from the word, "anti-semitic", as if it were a deadly SIN — even supposing that the Station did choose to indulge in it? THAT IS THE STATION'S INALIENABLE RIGHT, and NOBODY has the right to say them nay! WHY don't the Station's attorneys ask these witnesses for the Jews, "SO WHAT?" WHY don't they fling their challenge and their CONSTITUTIONAL RIGHTS boldly in the teeth of this battery of JEWISH attorneys from Washington, D. C., who were sent out to Los Angeles to harass Mr. Richards and to 'get' his broadcasting license? Just WHO do these self-appointed censors think they are? WHY don't the Station's attorneys invite these insolent, arrogant Jews to go on over to Israeli and practice their INTOLERANCE over there — where everybody, including Christian and DIS-possessed Arab, is COMPELLED to live strictly by the Code of the JEW? WHY don't we tell these bossy Jews to their face that THIS IS OUR COUNTRY, and we don't propose to

be pushed around in it, any longer by them and their lying hypocrisy? WHY don't we laugh in the Jew's face at all his doubletalk about "brotherhood, freedom, peace," etc. etc., instead of letting his illegal UNCONSTITUTIONAL CONSPIRACY — the Anti Defamation League — drive us, step by step, into the underground ghetto which he has designed for us?

Recognize this fight for what it is: a fight of Jew versus Gentile: the anti-Christ versus the Christ: the Oriental alien philosophy versus Christian-American ideals: slavery versus Freedom. KMPC and its fine attorneys, Messrs. Hugh Fulton and Jos. W. Burns, are fighting YOUR fight. IF they lose this fight for free speech, then YOUR freedom will be gone: the White Christian American's Constitutional rights will be abrogated. A deadly precedent will have been set. "Anti-semitism" will, in effect have been ruled a CRIME (as in Russia and her Iron Curtain satellites). The sheer stupidity of the alleged 'Christian' in delivering up HIS Country to the anti-Christ is simply beyond comprehension. One can only attribute it to abysmal ignorance, and the Gentile love of Jewish money.

It is claimed that KMPC 'slanted' its newscasts. Did YOU never hear Jew, Gabriel Heatter, Walter Winchell, Drew Pearson, and many others (especially on strictly Jewish programs) SLANT their 'news' FOR the Jews, for Israeli, and AGAINST Germany, AGAINST Christian anti-Communist Spain, and AGAINST White Christian Americans, such as Judge Geo. W. Armstrong? WHO is to decide when something is 'slanted' or when something is 'in the public interest' — the JEW, who has NO abstract sense of justice, but always favors his own kind and cause? WHY do we insist upon giving him

this unholy power over us, and this complete immunity from all criticism? We thereby sign our own death warrant as a FREE people.

The Federal Communications Commission, as a Federal agency, is *supposed* to bend over backward in PROTECTING the Constitutional rights of free speech and free broadcasting, for ALL our people. But it seems to do just the reverse, and aggressively bends forward in favoring that very Minority which continually strives to secure passage of Federal legislation (as well as State FEPC) which would give this Minority SUPER Constitutional rights. Further, IF Washington D. C. were not a hotbed of Jewish Communism, the Federal Communications Commission would never have sent such a man as Cottone to Los Angeles to conduct the PERSECUTION of Radio Station KMPC. This proves their bias or ignorance of the issues involved, or both.

I have it on unimpeachable authority that our Department of JUSTICE is manipulated by this same Minority. The MAJORITY of White Christians seem to be bogged down in a miasma of fear, timidity, ignorance and inability to think straight. LET'S IDENTIFY OUR ENEMY — else how shall we ever be victorious in this fight for the SOUL of America?

And speaking of "slanting" the news, little Sammy Gach, Editor of California Jewish Voice, had a slanted editorial against KMPC in issue of July 14th, 1950, headed, "The World Faces Janus," in which he quoted "an important statement released by the Radio News Club of California," from which statement it appears that newscaster, Cleve Roberts (who was News Director at KMPC and also President of Radio News Club) became dis-

grunted when his services were no longer desired at Station KMPC inasmuch as he did not care to follow instructions and policy of the Station, and so he thereupon 'sparked this F.C.C. investigation' of the Station. Al Gordon, President of Radio News Club, signed this statement by Radio News Club. I do not know him, but would assume that he is one of this Militant Minority.

In his statement, Gordon said that "Roberts and others turned over to us material . . . which seemed to us to constitute a flagrant violation of the spirit and letter . . . of FCC regulations relative to *fair presentation of controversial issues* and of the news." What is *actually meant* by these innocuous words, "fair presentation of controversial issues," is that THERE CAN BE NO FAIR AND FREE DISCUSSION OF CONTROVERSIAL ISSUES FROM THE CHRISTIAN AMERICAN STANDPOINT! These words are always interpreted to FAVOR the Militant Minorities (most especially Jews), and ANY criticism of them, no matter how true or justifiable, MUST AT ALL COSTS BE KEPT OFF THE AIR AND OUT OF PRINT. And WHY is it "fair" for the prejudiced JEW to assess or interpret the spirit and letter of FCC regulations, or to say when something is 'anti-semitic'? WHY is not the owner and manager of this station, Mr. Richards, entitled to HIS viewpoint and to his own evaluation of CHRISTIAN CONSTITUTIONAL AMERICAN PRINCIPLES — for which HE stands?

The Jews well know that they have 'bought off' the 'free' press of this Country, and that a definite 'understanding' exists with ALL newspaper editors that no Jew or Jews are ever to be mentioned unfavorably. WHY IS THIS? WHY is the Jew so deathly AFRAID of 'anti-semitism' himself? WHY — when

our White Christian boys are being massacred in Koréa, because out-numbered and out-gunned — WHY must not the people be told that it is due to the TREASON and betrayal practiced by our Jew-Zionist Administration under Roosevelt and Truman??? — All this sickening blather about FREE SPEECH — which no longer exists in America, except for the Chosen Few — is enough to turn one's stomach. Nobody with brains or patriotism can swallow it.

Further proving the utter impossibility of the White Christian American getting the TRUTH to the people, was cancellation by the Hollywood Post of the American Legion of the use of their hall for an "Indignation Meeting" at which patriotic Americans wished to protest "the action of the FCC in its attempt to control freedom of speech." It seems that the usual A.D.L. PRESSURE was exerted, and Post Commander Corydon T. Hill issued a pusillanimous statement that, "The Board of Governors, after receiving further information on the purpose of the meeting, decided it would not be advisable for the Hollywood Post of the American Legion to ENTER INTO A CONTROVERSIAL PUBLIC QUESTION. Talk about pussyfooters! Do you suppose these moral cowards ever read that part of the CONSTITUTION which protects the rights of the people peaceably to assemble and petition for redress of grievances??? WHO would be *supposed* to stand boldly for fundamental CONSTITUTIONAL AMERICAN RIGHTS — if not the American Legion?

Write to the Chairman of the Federal Communications Commission, Washington, D. C., and tell him you OBJECT to this infringement of the Constitutional rights of Mr. G.

A. Richards, owner of Station KMPC, Los Angeles: WJR, Detroit, and WGAR, Cleveland. Tell him that you OBJECT to the favoritism shown by the Examiner Cunningham toward the FCC's battery of Jewish attorneys: that you OBJECT to the FCC sitting as judge, jury and persecutor in this pre-fabricated case against Station KMPC: that you are in favor of White Christian Americans enjoying at least EQUAL rights with these Jews, in our OWN Country. — Get behind Mr. Richards and Messrs Hugh Fulton and Jos. Burns: let these men know you are FOR THEM.

If these Communist Jews ever want to haul ME into court, I assure them I will do battle for MY Constitutional rights as a free American.

I prefer to die free rather than to live slave!

The time is very late. You had better organize, White Christian Americans, and STAND UP AND STAND TOGETHER WITH YOUR OWN KIND (just as the Jew and other minorities do for *their* own kind): or you will soon have NO rights. There's only ONE Country in the world and ONE Flag — Old Glory — that AMERICANS should stand for, and fight under.

Help to SAVE FREEDOM IN AMERICA, which is the ONLY place that concerns Americans! Distribute this circular widely—only a penny apiece, in any quantity.
